

## Irish Thoroughbred (Irish Hearts)

AVAILABLE DIGITALLY FOR THE FIRST TIME Come to America. Your home is with me now. For lonely but spirited orphan Adelia Dee Cunnane, her uncles invitation is a dream come true. And so she leaves her home in Ireland to work for him in Maryland, at one of the most respected stables in the country. Starting as a groomer puts Dee in constant contact with the horses she loves -but it also brings her up close and personal with Travis Grant, the stables proud but handsome owner. And as the lush Maryland horse country begins to work its charms on Dee, so does Travis, pulling her into a turbulent passion with unexpected consequences...Irish Thoroughbred can be enjoyed as a gripping standalone. It is also the first in the Irish Legacy trilogy, which continues with Irish Rose and Irish Rebel. Includes a preview for Irish Rose.
