

## The Killing Kind

Heather Catterton was a beautiful, beloved seventeen-year-old when her body was found in the brush by a country road in South Carolina. Sweet-natured Randi Saldanas remains were then discovered, charred and unrecognizable, in a wooded area nearby. Bestselling investigative journalist M. William Phelps delves into the lives of Danny Hembrees victims and reconstructs the twisting path from his horrifying crimes to his high-profile trial and conviction. Drawing on interviews with the killer himself, Phelps chillingly brings readers into the mind of a murderer. INCLUDES 16 PAGES OF DRAMATIC PHOTOS
