

The Last Ark: Part IV - Consecration

The Last Ark Apocalyptic Series The Final Pope Defies the Socialist Takeover of the Vatican For fans of the apocalyptic genre, this wont disappoint. I feel odd describing that as a genre since I dont want people to think this is simply a redux of the Left Behind series, but there you have it. The storyline is (unfortunately) believable, or at least very relevant to our times. The political intrigue described at the Vatican is right on the mark - and I say this as a Traditional Roman Catholic, not just as someone who wants to find fault with the goings on at the Vatican. I hope the apocalyptic elements arent something we end up seeing in our lifetimes, but it certainly makes you wonder. I picked it up as a single novel, so by all means go for the omnibus edition. Im looking forward to the next installment. Barnes and Noble Review The Last Pope defends the Traditions of the Catholic Faith during a Global EMP War. When the Vatican is systematically taken over and destroyed from within by the ruling socialist elites, and the signs of the end are all about, the promised Fatima Apocalypse begins. The Last Ark carries the tiny Remnant of the Faithful far beyond the reaches of the gates of hell and deep into Marys Realm. Also available in the complete set - Parts I, II, III, IV in The Last Ark: First Omnibus Edition What Others Are Saying: Matt Abbott, Renew America --Check out The Last Ark Armand Assante, Actor -- An intriguing end-time scenario... The entire Series reads like a non-fiction account of the way it could all go down... Chilling. Jim D., Renew America --I just finished reading The Last Ark Series. Man what a read! This book did not get thrown in the trash because it never left my hand as I read it from my Ipad. My wife still has not caught up on her sleep from me staying up late reading and keeping her awake. Ok so here is the big question..... when is Part V coming out? I have got to have it. Harrold James,

Barnes and Noble Review -- A chilling expose on the activity of the cultural elites. Must read!
