

# The Last Dance: Encountering Death and Dying

The Last Dance: Encountering Death and Dying provides a comprehensive, up to date, and readable introduction to the study of death and dying. It directs attention to the evolving understanding of death and dying in today's culturally diverse environment. In a straightforward, conversational style, with an extensively illustrated format, The Last Dance provides a solid grounding in theory and research as well as in methods for applying what is learned to readers' own circumstances, both personal and professional. No other textbook so successfully combines the research and theories of such diverse disciplines as anthropology, art, ethics, health science, literature, philosophy, psychology, public policy, religion, and sociology. The tenth edition of The Last Dance includes new coverage of key topics yet retains the focus, writing, and pedagogy instructors have come to expect from the best-selling text in death studies. Instructors and students can now access their course content through the Connect digital learning platform by purchasing either standalone Connect access or a bundle of print and Connect access. McGraw-Hill Connect is a subscription-based learning service accessible online through your personal computer or tablet. Choose this option if your instructor will require Connect to be used in the course. Your subscription to Connect includes the following: SmartBook - an adaptive digital version of the course textbook that personalizes your reading experience based on how well you are learning the content. Access to your instructor's homework assignments, quizzes, syllabus, notes, reminders, and other important files for the course. Progress dashboards that quickly show how you are performing on your assignments and tips for improvement. The option to purchase (for a small fee) a print version of the book. This binder-ready, loose-leaf version includes free

shipping. Complete system requirements to use Connect can be found here: <http://www.mheducation.com/highered/platforms/connect/training-support-students.html>
