

The Last Matchmaker

For centuries, Irish matchmakers have performed a vital service, bringing people together in love and marriage. Willie Daly, whose father and grandfather were matchmakers before him, is the most celebrated of them all. Each year his tiny home town of Lisdoonvarna (population 800) hosts a matchmaking festival that attracts 40,000 visitors from around the world. They all hope to meet Willie with his unique blend of intuition, quiet wisdom and a small drop of cunning, Willie has brought together hundreds of couples over the years. In *The Last Matchmaker* he recounts some of the best stories along with his own. The path to love can be heart-warming, hilarious, sometimes hair-raising and Willie is the perfect guide.
