

## The Last Time We Saw Her

Deeply Loved, Sadly Missed  
Blonde, 19-year-old Brooke Wilberger was raised in a close-knit religious family. On a summer morning in Oregon, while cleaning lampposts at an apartment complex managed by her sister, Brooke vanished. One moment she was there, the next moment all that was left were her flip flops and the echo of her scream. Her family suffered five long years to learn that their worst fears were true. Brooke's life had been snatched brutally away by Joel Courtney, a serial predator who said he hadn't meant to kill her. But the stories of other women made it clear that Courtney was pure evil. . . . Includes dramatic photos. Praise for Robert Scott and Shattered Innocence Compelling and shocking. . . . a ground-breaking book. --Robert K. Tanenbaum Fascinating and fresh. . . . a fast-paced, informative read. --Sue Russell
