

Chances (Something in Common)

A Something in Common novella Treble Duo, the haven facility, is now up and running, and that is Theron Longorias one and only focus until he sees Aristotle Berkus. Hes met the grouchy, crowd-hating man several times, but each time, Theron is more and more intrigued. After meeting Theron, Aristotle realizes what a wonderful mystery of a man hes found, and although he plans on taking things slow, hes not planning on letting Theron go. Between a barbecue get-together and a chance to help a little girl find a new home, Theron and Aristotle discover they need each other to navigate the new life they are starting together.
