From Dating Disaster To Dating Master A new relationship reality series. In volume 1 I put all aspects of the tomfoolery that's surrounding the dating scene today on blast. That includes, approaching, dating, flirting, dressing, and interactions with the opposite sex. I will cover everything from whack ass pick up lines to women falling for the okie doke. The book will also give men better incite when approaching women. And how to know when she's not worth your time. 14,846 words

Hey Girl Its Ok To Swallow Your ultimate guide to learning how to give your man the best blow job he has ever experienced! 15,255 words

Sucker Punched By Love In this volume of The Love Den Diaries Volume 3- Sucker Punched By Love I will help you spot the warning signs of this type of abuser before they have a chance to break your heart. If you are in fact already in a relationship with someone who fits the descriptions listed in this book it will help guide you in the right direction by serving as a starting point on the path to understanding and healing from this type of abuse. Most people can recognize abuse if it's blatantly in their face. Such as a person verbally or physically abusing them. However what about the wolves in sheep's clothing? The ones that pretend to be so sweet, but in reality you are in the presence of a narcissistic social-path. These types of abusers are the hardest to spot and even harder to catch. Due to the fact that they are usually what society deems as beautiful or handsome, smart, charismatic, charming, and flattering. In short they are loved by everyone. At least to those who haven't figured them out yet. Most people can not fathom the thought of someone being so calloused. The ONLY way to have an edge with them is to be aware of their next move before they make it. This may seem impossible, however, once you figure out their personality most abusers are as

predictable as the day is long. In this volume you will not only learn how recognize these type of people before they slither their way into your life. You will also learn the role YOU play in the abusers life and how Your personality may actually even be an abuse magnet. There is a saying that goes when you know better you do better. This is your time to do better. This is your time to stop wondering and guessing whats going on with that loved on that started out so nice and later pulled a Dr Jekyll Mr Hyde. At times there will be ah ha moments. At others there will be sadness and anger as we dive head first into the reality of what it feels like to be Sucker Punched By Love. 15,813 words Midnite Love Be sure to check out extended sneak peeks that are longer than the Amazon version on: <http://thelovedendiaries.com/>
