Rebellion Set in 1745, Rebellion tells the story of Serena MacGregor, whose hatred of all things English extends to her brothers friend Brigham Langston. Hell prove himself worthy of the MacGregors respect, but piercing Serenas pride will take all the passion he can muster. In from the Cold This novella follows the MacGregors during the American Revolution. Injured minuteman Ian MacGregor flees into the wilderness, where he finds refuge for his body and soul with Irish spitfire Alanna Flynn. The MacGregor Brides There is nothing Daniel MacGregor would rather see than his three eldest granddaughters? Laura, Gwendolyn, and Julia? married. But the three cousins have one-track minds, and love is taking a back seat to career success. Until Daniel handpicks three unsuspecting candidates for grooms? and throws them in their paths. The Winning Hand Taking the biggest gamble of her life, Darcy Wallace slips her last three dollars into a slot machine? and hits the jackpot. But the real prize is casino manager Robert MacGregor. Hes not the marrying kind, but Darcy knows that true love is worth the risk. The MacGregor Grooms Fresh from the success of sending his granddaughters down the aisle, Daniel MacGregor turns his matchmaking sights on his stubbornly single grandsons: D.C., Duncan, and Ian. And though each man will put up a good fight, theyll be no match for the women chosen by Daniel to tempt and tease them all the way to the altar. The Perfect Neighbor When he moves into a new building, the last thing Preston McQuinn wants is a nosy neighbor? especially one as vivacious as Cybil Campbell. But shes a welcoming committee thats hard to ignore. Thin walls and thick defenses prove to be no match for her irresistible charm.
