

The Magic Jukebox: Changes, True Colors, Wild Thing

The Magic Jukebox sits in the Faulk Street Tavern in the quiet seaside town of Brogans Point, Massachusetts. No one knows what classic rock songs will come out of the jukebox when a coin is inserted, but every now and then, the jukebox will play a song that casts a spell on two bar patrons a song that will change their lives and open their hearts to love. Changes Antiques dealer Diana Simms is engaged to her longtime boyfriend when she finds herself inside the Faulk Street Tavern. The song Changes emerges from the jukebox and enchants her. It also captivates Nick Fiore, a local guy whos arrived at adulthood the hard way, after a tour through the juvenile justice system. Now hes dedicated his life to helping other troubled kids. He has no business even looking at a beautiful, well-bred woman wearing a diamond engagement ring. But once theyre bewitched by the jukebox, he and Diana must change their lives, their goals, their dreams and their hearts. True Colors When she finds herself homeless after breaking up with her boyfriend, artist Emma Glendon accepts her best friends invitation to share a rental house in Brogans Point. But their absentee landlord, Nick Tarloff, has come to town from his home in San Francisco to sell the house, which will mean evicting his tenants. Nick is a high-tech brainiac and a self-made millionaire. Emma is a painter and a free spirit. They have nothing in common except the jukebox, which plays True Colors and forces them to recognize their own true colors, colors that can match and blend magnificently, if the magic of the jukebox has its way. Wild Thing Monica Reinhart is a good girl. A hometown girl. After college, she returned to Brogans Point to help run the family business, an oceanfront inn. Shes never done a wild thing in her life. When Ty Cronin sails into town, his wildness intrigues her. When the jukebox plays Wild Thing, that wildness infects her,

and soon she finds herself doing things she never would have imagined. But Ty could be big trouble. She hardly knows him. She mustnt trust him. Yet once shes taken a walk on the wild side with him, how can she go back to being a good hometown girl?
