

The Man from Stone Creek

#1 New York Times bestselling author Linda Lael Miller presents the Stone Creek story that started it all. When trouble strikes in Haven, Arizona, Ranger Sam O'Ballivan is determined to sort it out. Badge and gun hidden, he arrives posing as the new schoolteacher, and discovers his first task: bringing the ranchers' children under control. So he starts with a call on Maddie Chancellor, the local postmistress and older sister of a boy in need of discipline. But far from the spinster Sam expects, Maddie turns out to be a graceful woman whose prim and proper demeanor is belied by the fire in her eyes. Working undercover to capture rustlers and train robbers has always kept Sam isolated and his heart firmly in check until now. But something about the spirited postmistress tempts him to start down a path he swore he'd never travel.
