

Any Sunday: A Selection from The Unexpected Husband

Until now, Marjorie Majors has made a point of avoiding doctors. But an attack of appendicitis doesn't give her any choice. Dr. Sam Brettton's confident diagnosis and gentle care are exactly what she needs, and his bedside manner is pretty appealing, too. She's starting to fall for him until he asks her to find another doctor. Except his reason isn't what she thinks it is. He wants to be her husband, not her doctor! [Debbie Macomber is] a bona fide superstar! Publishers Weekly
