

The McKettrick Legend

New York Times and USA TODAY bestselling sensation Linda Lael Miller returns with these classic McKettrick tales in one great collection! Sierras Homecoming When she moved to her family's ancestral ranch, single mom Sierra McKettrick was disconcerted by the Triple Ms handsome caretaker, Travis Reid. But when her son claimed to see a mysterious boy in the house, and an heirloom teapot started popping up in unexpected places, Sierra wondered if the attraction between her and Travis might be the least of her worries. In 1919 widowed Hannah McKettrick lived at the ranch with her son and her brother-in-law, Doss. Her confused feelings for Doss and her son's health problems occupied all her thoughts until the family teapot started disappearing. Could Sierra and her ancestor Hannah be living parallel lives? The McKettrick Way Meg McKettrick longs for a baby husband optional. Perfect father material is gorgeous Brad OBallivan, old flame and new owner of his family's ranch in Stone Creek. Meg wants to do things her way the McKettrick way. But Brad feels just as strongly about the OBallivan way. Love, marriage, babies and a lifetime to share that's what Brad wants. Not a single night of passion, an unexpected pregnancy and a woman who won't budge. For a rugged rodeo cowboy who never gives up, it's a battle of wills he intends to win and nothing matters more than claiming Meg's wild McKettrick heart.
