

The Merciless Travis Wilde (Mills & Boon Modern) (The Wilde Brothers, Book 3)

The wild before the storm Travis Wilde doesnt do love or commitment but hed never turn down a willing woman and a king-sized bed! Normally innocence like Jennie Coopers would have the same effect as a cold shower, yet her determination and mouth-watering curves have him burning up all over!The clock is ticking and, forced to confront her life, Jennie is determined to cross some major things off her to-do list. Some might be risky like taking on the renowned Travis Wilde but Jennie has nothing to lose except the one thing she thought was untouchableher heart.Absolutely fantastic and enough passion to blow your mind away! Thank you Ms Marton! Ven, 40, Hastings
