

## The Milinda Panha

This is the extended and annotated edition including\* an extensive annotation of more than 10.000 words about the history and basics of Buddhism, written by Thomas William Rhys Davids. According to tradition, Menander embraced the Buddhist faith, as described in the Milinda Panha, a classical Pali Buddhist text on the discussions between Milinda and the Buddhist sage Ngasena. He is described as constantly accompanied by a guard of 500 Greek (Yonaka) soldiers, and two of his counsellors are named Demetrius and Antiochus. This type of discussion was known to ancient Greeks as a sozo, it is important for Buddhists to understand the cultural context in which this discussion was held. (from wikipedia.com)
