

## Claims Upon My Heart-Sequel to Silence of My Love

The more Chloe tried to convince herself that nothing had changed between James and her, the more she knew everything had changed. The runaway emotions James created in her heart were far greater than any schoolgirl crush. In Claims Upon Her Heart, book three in the Chloe Mae Chronicles, Chloe finds herself falling in love and making decisions that will change the rest of her life. She still longs for her father's understanding and wonders if the wall of silence between them will ever crumble. Anyone who read Flee My Father's House and Silence of My Love will be anxious to read this next book.
