

The Most Dangerous Man in the World

This never-before-told story exposes one of the worlds most reviled terrorists, Dawood Ibrahim. Several writers, including the late Daniel Pearl, have attempted to write about this mysterious criminal, but they have routinely disappeared. Now, the secrets of Ibrahim's life are finally revealed—from his wild all-night parties with prostitutes and top-shelf liquor, to his Islamic extremism, to his violent and deadly activities—resulting in a true crime account that will both shock and terrify.
