

The New Evangelism, and Other Addresses

The question you will naturally ask at the outset is, What is the new Evangelism? Now that is a question that I cannot answer. I do not know what the new Evangelism is, and it is because I do not know that I write this paper. I write because I ought to know, and am trying to know. Many here, and all the most earnest minds of our Church, are anxiously asking this question, and each who has once asked it feels it to be one of the chief objects of his life to answer it. Included here are The New Evangelism: and its Relation to Cardinal Doctrines, The Method of the New Theology, and some of its Applications, Survival of the Fittest, The Third Kingdom, The Problem of Foreign Missions, The Contribution of Science to Christianity, and Spiritual Diagnosis.
