

The Opposite of Wild (Clover Park, Book 1)

USA Today Bestselling Series! A humorous second chance romance from USA Today bestselling author Kylie Gilmore. Unleash the wild woman? Ex-cop Ryan OHare takes one look at buttoned-up control freak Liz Garner and just itches to loosen the woman up. Not that hes into her. Because a woman like that comes with way too many expectations. Not to mention, she practically works for him, and he didnt hire Liz to watch after his beloved Harley-stealing Gran so he could turn Liz loose in his bed. Still, theres something about her, a hidden wild side, that makes him wonder what it would take. Liz must be crazy to work for the insensitive, arrogant, horriblyhot man shes avoided for years. Unfortunately, she needs the money and Ryans grandmother needs a keeper. (Midnight tango lessons and ziplines with Gran, anyone?) Ryans rare smile and swaggering confidence have Liz torn between throwing her favorite pinot grigio at his head or throwing herself at him. Can this control freak find a way to let loose with the tough, no-strings guy who once broke her heart? AUTHORS NOTE: Each book in the Clover Park Series can be read as a stand-alone novel, or for more fun read them in order. Characters youve loved from past books frequently pop up in other books.
