

A Taboo Romance With A Billionaire Part 1 of 2: A Forbidden Romance

They long for each other. Need each other. But even though they share the same home, they can never be together in the way they crave for. For years, Amelia and Mac have kept their feelings for each other a close guarded secret. Playing it cool. Only to learn that you can deny your feelings only for so long when what at first seems like an unfortunate event turns into the opportunity of a lifetime. Well, for a heroine who isn't afraid to decide enough is enough, that is. Scared. Excited. Amelia is determined to get through to the man she loves. The one who has succeeded in avoiding her for years, but who now finds himself delivered right into her hands. One nurse, Florence Nightingale he calls her, and a billionaire who threatens to get away. The clock is ticking. It is now or never.
