

The Path of Loneliness: Finding Your Way Through the Wilderness to God

Whether through the death of a loved one, divorce or estrangement in a marriage, or by being a single person in a world of couples and families, loneliness eventually comes to us all. Elisabeth Elliot lost her first husband to murder in the South American jungle and her second to the ravages of cancer. She has felt the deep pain of loss. In *The Path of Loneliness*, Elliot gives hope to the lonely through tender reflections on God's love for us and his plans to bless us. She tackles this difficult topic with grace and faith, showing readers how to make peace with loneliness and grow through it.
