

## The Path to Tranquility: Daily Meditations by the Dalai Lama

The Dalai Lama, a living symbol of holiness and selfless triumph over tribulation, has shared his philosophy of peace with today's turbulent world. Yet rarely do we hear him speak with such directness as in this collection of quotations drawn from his own writings, teachings, and interviews. *The Path to Tranquility*, a fresh and accessible introduction to his inspirational wisdom, offers words of guidance, compassion, and peace that are as down to earth as they are rich in spirit. It covers almost every aspect of human life, secular and religious -- happiness, intimacy, loneliness, suffering, anger and everyday insecurities -- with endearing informality, warmth, and practicality.
