

## The Piano Teacher: The True Story of a Psychotic Killer

Everybody has a dream. For aspiring actress Suzanne Reynolds, her dream ended in a gruesome encounter with eccentric New York artist Charles Yukl. Fooled by his choirboy looks, Reynolds had no idea the man who taught her the piano was a woman-hating recluse who spent his days lost in fantasies of perversion. As a result of the plea bargain for Suzanne's brutal murder, Yukl soon gained his freedom due to a shocking series of legal errors -- and killed again. A riveting dramatization of two horrific crimes and their aftermath, *The Piano Teacher* brilliantly portrays a madman set on fulfilling his own sadistic and homicidal dreams...and the flawed justice system that gave him the opportunities to do so.
