

If You Only Believe: A Blessed Collection of Spiritual Tales

If You Only Believe, a collection of fourteen spiritual tales, traces the personal journeys of men and women, young and old, through life changing experiences that test and confirm their faith. These stories take place in what author Violet Holland calls the Land of Believe, an era of innocence where men, women and children face what seem to be insurmountable obstacles, but who ultimately find their way and learn powerful lessons about life and the human spirit. Join a host of memorable characters whose personalities will win your heart, who will inspire and teach you that even the most hopeless circumstance can be overcome with love, faith, courage and understanding. These characters and stories also encourage us to live life fully and joyfully, and celebrate the richness of biblical teachings, regardless of our age, life situation or belief.
