

Mark of Distinction (Price of Privilege)

London is said to be the glittering jewel of society, a world unto itself?but to Julia Elliston it is a city of shadows. Her life is swiftly dissolving into scandal. And in Victorian society, even a whisper of scandal?substantiated or not?can be the death of a young womans reputation.Now under the watchful eye of Lord Roy Pierson, one of most influential men in England, Julia begrudgingly accepts his protection. But Chance Macys power is far-reaching as well, and he is eager to assert his claim over her.Thrust into society as the Emerald Heiress, Julia is the toast of London, a celebrated curiosity. But in reality shes trapped between the clutches of two powerful men. Aided only by a gentleman whose intentions she prays she can trust, Julia must finally take control of her own fate?but outwitting ones foe rarely goes according to plan.
