

Night Heat (Mills & Boon Kimani)

Sebastian Steele was the kind of man women dreamed about. He was drop-dead gorgeous, wickedly charming and fabulously wealthy. So why wouldn't Jocelyn Mason accept his offer to help run her struggling company? It was his reputation. Sebastian was a corporate shark, and Jocelyn knew the big fish didn't swim with the little fish, they swallowed them whole. It had been Sebastian's intention to take over Mason Builders, whether Jocelyn liked it or not. But when he started to work with her, sparks began to fly and they shared a sizzling, unforgettable night of passion. And soon it wasn't clear who was bossing whom.
