

The Reluctant Widow

One of the best-known and most beloved historical novelists, Georgette Heyer as ever, captures a whole new audiences heart. Stepping into the wrong carriage at a Sussex village, Elinor Rochdale is swept up in a thrilling and dangerous adventure. Overnight the would-be governess becomes mistress of a ruined estate and partner in a secret conspiracy to save a familys name. By midnight she is a bride, by dawn a widow. A typically thrilling and sweeping tale of romance and tragedy, The Reluctant Widow is Georgette Heyer at her best - the undisputed queen of historical romance.
