

The Year of Living Scandalously (The Secrets of Hadley Green Series)

When Declan OConnor, Earl of Donnelly, arrives at Hadley Green to meet with Lily Boudine, the new countess of Ashwood, he knows instantly that the lovely woman who welcomes him is not who she pretends to be. In an attempt to avoid an unwanted marriage, Keira Hannigan has assumed her cousins identity and is staying at the estate while Lily is abroad. When Declan threatens to expose her, Keira convinces him to guard her secret, then enlists him in her investigation of the missing jewels, for she now believes an innocent man was hanged. Unable to deny the beautiful, exasperating Keira ? or their simmering passion ? Declan reluctantly agrees. But neither is prepared for the dangerous stranger who threatens to reveal Keiras lies ... and Declan knows he must protect Keira at all costs, for she is the woman who now owns his heart.
