

Magic By Moonlight (Shaynes Supernaturals Book 2)

SHAYNES SUPERNATURALS is a collection of novels and novellas that took romance into unknown realms before paranormal romance was even a genre. Experience breathless passion, heart-stopping thrills, and the truest magic of all, the magic of love, with NY Times bestselling, RITA Award winning author Maggie Shayne. When private detective M.C. Hammersmith finds herself on the wrong side of a mob boss, she is desperate enough to leave the city and take refuge with her exotic aunt, who considers herself a witch. Going through one of her aunts tomes, she reads an ancient protection spell, and is shocked when a hero steps right out of the eighteenth century into her aunts living room. A short novel (over 100 pps) that is sure to appeal to fans of fun paranormal romance. One of the pre-eminent voices in paranormal romance today. ~RT Book Reviews Fans of TV's Supernatural, and film like Practical Magic will love this tale! *Formerly titled Musketeer by Moonlight
