

Lonesome Bride

Mail-order bride Caitleen O'Neal assumes the man who arrives at the train station to pick her up is the man she's agreed to marry. After all, he introduces himself as Jed Peters, the name on the papers the preacher gave her to sign. When a night of unexpected lovemaking turns Jed surly instead of sappy, Caite can't understand why. Only when they finally reach the ranch in Lonesome, Montana, does Caite discover the reason for her lover's cold shoulder. He's Jed Peters, all right. Jed Junior, and the white-haired man standing next to the woman he's just wed is Jed's father...the man Caite has come all the way from Pennsylvania to marry...
