

## Betrayed (Rockfort Security Book 2)

To Trust... Rockfort Security operative Shane Gallagher has been brought into S&D Systems to find a security leak. Confidential information has been stolen, and Shane suspects Elena Reyes, a systems analyst with the access and know-how to pull it off. As he finds excuses to get close to her, their attraction is too strong to ignore, but how can Shane trust the very woman hes investigating? Or Not to Trust Elena has spent her life proving herself, but now shes risking it all: everything shes worked for, and her growing feelings for Shane. Much as she wants to trust the devastatingly sexy, hard-as-nails investigator, she cant let herself fall for him...the stakes are too high. Praise for Bad Nights: A heart-in-throat thriller and a soul-satisfying romance-Long and Short Reviews Tense and intriguing...a suspenseful, visceral reading experience. -RT Book Reviews Absolutely riveting...a brilliant stroke of genius. -Night Owl Reviews, Reviewer Top Pick
