She has captivated fans with unforgettable romance novels filled with suspense, seduction, mystery, and passionate love. Now bestselling author Madeline Hunter introduces the Seducer in a dazzling tale of a powerfully sensual man, a headstrong young innocent, and a scandalously perilous affair as forbidden as it is irresistible ... **THE SEDUCER** From the moment he arrived to rescue her, Diane Albret saw more in the darkly handsome, charismatic gentleman than just a guardian. Over the years that have passed since she first laid eyes on Daniel St. John, he had become, quite simply, the most dangerously irresistible man she could ever have imagined. Diane herself has changed from a bewildered schoolgirl, tragically orphaned, into a determined young woman of alluring charm and beauty. Now, leaving the cloistered life of her school, she has been brought to Daniels home with dreams of her own amid rumors and hints of scandal. But the legendary seducer seems to have other plans for Diane and he possesses a secret about her lost past that he will do everything to keep: a secret that will put both their lives in jeopardy, even as the passion they have denied for so long threatens to break out of all control. **BONUS:** This edition includes an excerpt from Madeline Hunter's *The Accidental Duchess*.
