

Prince of Seduction (Royal Chronicles #2)

Seduction has always come easy for Elric, one of four Drahcir princes. When he finds his mate he intends to convince her to return with him by using his famed seduction. His mate, however, isn't like any woman he's ever encountered, and it's going to take Elric using his heart to win his mate. Marin takes a trip to Scotland to heal her broken heart after being left at the altar. The last thing she expects to find is a man who steals her breath with his kisses and makes her heart miss a beat with his smiles. Even as she tries to keep her distance, Marin is no match for Elric's seductive charms. When a beast attacks, Marin must choose - Elric and his secret kingdom...or life without him.
