

## Prince of Desire (Royal Chronicles)

Lucian, a prince of a secret kingdom, must find his mate and return with her to Draheir before time runs out. He's unprepared for Isabelle and the insatiable appetite he has for her. But will the passion they feel be enough to convince her to venture to a hidden kingdom where magic is a way of life? Isabelle has resigned herself to her life until a fascinating, devilishly handsome Lucian walks into her life. He shows her desire and adventure that shakes the foundations of her world. She can't live without him, but can she give up the life she knows for one she can't begin to imagine?
