

## The Noblest Frailty (Sanguinet Saga)

Patricia Veryan's superbly entertaining Regency romances have inspired Library Journal to call her one of the most able writers of this genre, and The Chattanooga Times to proclaim her a worthy successor to Georgette Heyer at her very best. Now, in *The Noblest Frailty*, Patricia Veryan continues this splendid tradition as she follows the adventures and misadventures of Yolande Drummond, Alain Devenish, and Craig Tyndale.
