

# The Science of Living According to Florence Scovel Shinn: Illustrated Edition

Shinns writings are very conscious, and enlightening for todays modern times. She uses metaphors in her examples that are derived from the Bible, which enables us to apply the lessons to our personal situations more easily. She opens up our minds as we begin to understand how to live our lives in a new and conscious way. These three books in one volume far exceed the price and is a treasure for anyone who wishes to understand the Power of Positive thought. -- Z. Bey In this Illustrated Three Volume Collection are the works: The Game of Life and How to Play it Your Word is Your Wand The Secret Door to Success
