

## Secret Obsession

SinsPride comes before a fall. Will Nerissas love for another man come before her husband? Nerissa is married to Ben and she has tried to love him. But, since she was a child, Nerissa has also adored her cousin, Philip. Now Philip lies in a coma and Nerissas special bond with him is perhaps the only means of bringing him around. But how can she tell Ben she must leave him for Philips bedside? Ben is so proud and will never let her end their marriage! Love can conquer the deadliest of Sins.
