

The Sex Solution (Mills & Boon Blaze)

Madeline Hale has come back to her Texas hometown on a mission. Twelve years ago, she had been a chubby bookworm infatuated with bad boy Austin Jericho. She still has the brains after all, she's chief chemist for a cosmetics company but now she also has the body and attitude to match. And she plans to use them along with a new aphrodisiac lotion she's created to finally get Austin where he belongs in her bed. Austin doesn't know what's hit him. He's wanted Maddie forever, but he always figured she was too good for him. Only suddenly, the tables have turned. The sweet girl has turned into a sex siren, and Austin has ditched his wicked ways to settle down with a nice little wife. But Maddie smells so sweet, feels so soft and tastes so wonderful. There's only one solution. The Sex Solution. And it's going to be very, very good.
