

## The Sheikhs Heir (The Santina Crown Book 2)

Stop the Press: Unexpected Baby Shock for Sheikh and Jackson Party-girl! Unconfirmed sources report that celebrity wedding planner Ella Jackson is pregnant! Currently single, Miss Jackson caused quite a stir at her princess-to-be sisters royal-studded engagement party last month when she tossed a glass of vintage champagne over Sheikh Hassan Al Abbas following a very public argument. What happened in private is anybody's guess. But a palace insider confirmed that Miss Jackson was seen leaving the Sheikhs opulent suite the morning after the party. Could this Cinder-Ella beat her sister to a royal title and a royal heir?
