

## The Sheiks Angry Bride (The War, Love, and Harmony Series Book 4)

Duty. Responsibility. Those were the priorities of Laylas upbringing. So when her father announced that she is to marry the Sheik of Lurasa, she accepted her duty and steeled her heart to a loveless life of obligation. What she refused to accept was Garons intense effect on her. The man wasnt what she anticipated! And he wouldnt conform to her plans or expectations. This was an arranged marriage! They had appearances to maintain, duties to adhere to. Why were these crazy feelings flying between them every time he touched her? Garon entered into the marriage expecting only to be faithful to his wife and to the agreement he had made with the other sheiks. What he wasnt expecting was a fiery beauty that set his senses on fire or the intense need to have her. Responsibility be damned, this woman was his! And he was going to teach her about living and loving.
