

The Side Hustle Path Volume 4: 10 Proven Ways to Make Money Outside of Your Day Job

Earn Extra Cash The Side Hustle Path is for people who want or need to earn some extra money outside of their day jobs. Maybe you need a few extra dollars to make ends meet. Maybe you want to pay off debt. Maybe you want to save for a rainy day, or for your childrens education. Maybe you just want to treat yourself to a nice vacation or a new car without feeling guilty about it. Maybe youre looking for a way out of the corporate world, an escape plan. Thats the ultimate financial freedom, right? Thats how I got started down this entrepreneurial path, and its been the best choice I ever made. Youre willing to work for it, because your future is worth working for. The challenge is time is limited, and you may not know where to start. There are a million and one ways to make money online and everyone wants to sell you their proven system for Internet riches. Its hard to tell whats a scam and whats legit.

Real-World Examples This book offers 10 real-world examples of how regular people just like you and me are earning side hustle income outside of traditional employment. Many have even turned these part-time ventures into full-time businesses, throwing off the shackles of their corporate overlords for good. And the cool thing is, there are no special technical skills or prerequisites to get started with any of the ideas presented. Most dont require any big scary upfront investment. This edition covers case studies in: Blogging Ecommerce Software and apps Authority businesses Why Side Hustle? Build Skills Build Security Build Income Build Freedom My Story After college, I did what youre supposed to do: I got a job. The problem was almost immediately I found myself looking for a way out. It wasnt that I hated the work or my coworkers, but it just wasnt what I wanted to do with my life. The thought of spending my next 30 years there was terrifying. So evenings and weekends I turned my

attention online. I'd been dabbling with building rudimentary websites, learning online advertising channels, and even running my own small marketing campaigns for other company's products to test the waters. And that's what Volume 4 of The Side Hustle Path is about; finding a low-risk way to make more money. If you're looking for a get-rich-quick-scheme or the secret to overnight success, you won't find it here. But what you will find are 10 down-to-earth entrepreneurs who were once sitting in your same position. They felt the same fears and uncertainties, but took action anyway. What are you waiting for?
