

The Guide for a Single Woman

The Guide for a Single Woman is the first of its kind. Not a sequel, not a prequel, but an equal. Its counterpart is The Guide for a Single Man. Two comedic novels that can be read in either order to learn both sides of the story of Two thirtysomething women drinking and flirting their way through New Yorks bars one typical Friday nightbefore things gets crazy. After too many cocktails, Cheryl and Erin meet Devin and Les and the night suddenly gets interesting. They discover the only pick-up line that truly matters, what men really want, and why everything in the world of love and sex seems to happen for a reason.
