

Brolach (#1): Dark Alpha Vampire Paranormal Menage Romance (The Demon Series)

From the New York Times bestselling author of *A Terrible Love...* Alpha supernatural warriors search for human women who possess the blood of their kind to claim them for their own... Ruby is an exotic dancer with a past. Running from a father who is a murderer, she takes to the sea where she lives the quiet and lonely existence of the unseen. One night when her abusive boss lays more than a finger on her, the crowd gets out of hand and an unlikely savior moves to end her misery. Little does Ruby know that there are those who have been searching for exactly what she is. Brolach is a demon warrior with a purpose: to find females with enough demon blood who could be valuable breeders in Hades. Their inclusion would tip the scales in favor of the age old war between heaven and hell, to those who live below. What Brolach doesn't realize is they share a blood tie that neither suspect, one that might make them pay in blood Please note: this book is dark erotica and deals with serious themes 18+ audience. In addition, though this is the first installment in The Demon Series, reading both The Druid and Siren Series first, might deepen the reading experience.
