

## The Skillful teacher: Building your teaching skills

Fifth Edition (revised): This book has become a standard text in many teaching courses. Designed for both the novice and the experienced educator, *The Skillful Teacher* is a unique synthesis of the Knowledge Base on Teaching with powerful repertoires for matching teaching strategies to student needs. Designed as a practical guide for practitioners working to broaden their teaching skills, the book focuses on 17 critical areas of classroom performance. Numerous examples illustrate teaching approaches, and chapter-by-chapter bibliographies provide additional sources for further research. This expanded fifth edition includes new chapters on Assessment, Expectations, Classroom Climate, The Importance of Teacher Beliefs, and Conditions for Teacher Learning.
