

Soldier And The Rebel (By Request 2s)

Romance and adventure come together in this Civil War saga of love, honor, and betrayal. The first story, *Between the Thunder*, is the one that Potter says opened up a new world for her in the fiction realm. Its based on a true incident involving a generals quest for gold. *Miracle of the Heart* is a Christmas story about two brothers and the women they love, a melange of orphans and two armies.
