

## The Spanish Husband (Passion)

To love, honor and betray? Seven years ago Caroline had fallen in love and into bed with Luiz Vazquez. Thinking he had betrayed her, she fled to England hoping never to see him again. Now, because her father owes money to Luiz, Caroline has had to return to Spain. Receiving a proposal of marriage from the powerful Spaniard, she is forced to accept. But marrying Luiz so he can secure his inheritance is one thing. Falling passionately in love with him again is quite another.
