

The Stranger and Tessa Jones and Not Without Her Family (Harlequin Small Town, U.S.A. Collection)

When a stranger comes to town nothing remains the same in these two classic stories. The Stranger and Tessa Jones: Tessa Jones can't turn away the injured stranger who stumbles onto her doorstep in the middle of a blizzard. Even though he has no memory of who he is or how he came to the California Sierras, she can't resist the intense feelings growing between them. With so little known about him, could there be a future for them? Not Without Her Family: It's trouble for police chief Jack Martin when Kelsey Reagan blows into his town. Her brother is a murder suspect, and this reformed bad girl vows to prove herself innocent. Jack is captivated by her as is his young daughter. But an error in judgment nearly cost Jack his career once; he won't allow that again. Not even for Kelsey.
