

The Surgeon She Never Forgot (Mills & Boon Medical)

Unfinished business with the boss! For Dr. Michaela Landon, romance and relationships don't even register on her radar; her career always comes first. That is, until a face from her past walks into St. Benedict's hospital—the face that broke her heart years ago and one that's as wickedly handsome as ever! Legendary neurosurgeon Lewis Beck and his dangerous charm instantly jeopardize Mikki's cool, calm exterior. Working long days and even longer nights, how can she ignore her sizzling attraction to the man that once kissed was never forgotten?
