

The Sweetheart Secret (A Sweetheart Sisters Novel)

The Sweetheart Sisters are ready for some good ol' matchmaking Colton Harper, Rescue Bays resident physician, gave up his wild ways years ago, in exchange for a straight and narrow life. But then a one-night stand comes back to haunt him when the intoxicating woman he left behind shows up in Rescue Bay. Once upon a time, fiery Daisy Barton was Colton's wife and still is, thanks to a paperwork glitch. Now she's here in Rescue Bay, with a once-in-a-lifetime chance at a fresh start renovating a crumbling B&B. The catch? The loan she needs requires her husband's financial backing. Colton wants to turn Daisy away, but when he sees her coax a smile from his cantankerous grandfather, Colton realizes maybe she can help him, too. It's the perfect arrangement until the sparks start flying. Suddenly Colton realizes he's still head over heels in love with Daisy, and that he'll have to risk everything or risk losing her forever.
