

Scandal in Scotland (The Hurst Amulet Book 2)

New York Times bestselling author Karen Hawkins spins an unforgettable tale of a captivating beauty with a secret, a dashing sea captain on a treacherous mission and the priceless artifact that seals their destiny. A DESPERATE BEAUTY Despite fame and countless admirers, actress Marcaïl Beauchamp has never forgotten William Hurst, the audacious seafarer she once loved ... and lost. Now, forced by a mysterious blackmailer who threatens her family, she must steal an ancient onyx box from the one man she vowed never to see again. A BOLD ADVENTURER To save his brother from a ruthless abductor, William must deliver the artifact as ransom. He's stunned when Marcaïl, more lovely than ever, suddenly appears on his ship. But when she drugs him and steals the box, his fury knows no bounds. THE TREASURE EVERYONE WANTS William pursues Marcaïl, but too late: she has already delivered the box. The estranged lovers realize they must work together both to regain the artifact that could mean life or death to his family and to destroy the mysterious blackmailers power over her family. Thus begins a high-stakes quest through the reaches of Scotland, a quest that stirs up long-forgotten memories and an unquenchable passion...
